**THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.**

**Order Approving 30-Day Notice of an Increase in the Pass-Through Rates, Contingent Upon the Utility Providing the Commission with Copies of the Notice to Customers**

**SUBJECT:**

DOCKET NO. 2008-173-W - Application of JACABB Utilities, LLC for Approval of an Establishment of Water Rates and Charges and Approval of Agreement for Water Services with Pointe West, Incorporated to Serve Highpointe Development in Oconee County - Staff Presents for Commission Consideration the Request for Approval of JACABB Utilities, LLC's 30-Day Notice of an Increase in the Pass-Through Rates from Seneca Light & Water.

**COMMISSION ACTION:**

JACABB Utilities informs the Commission that its bulk water supplier, Seneca Light and Water, has increased its rates and seeks to pass the increased cost of its bulk water purchase to its customers. According to JACABB, the new rate is \$4.71 per 1000 gallons and is an increase of \$0.18 per 1000 gallons. The new rate for the 6" meter is \$361.71, which is an increase of \$ 1.00 per month.

JACAAB states a letter notifying affected customers of this increase was sent July 15, 2020 for the new rate to become effective in the September billing cycle.

The Office of Regulatory Staff has reviewed this matter and does not object to the proposed increase. However, ORS recommends that JACABB file a copy of the notification to customers as proof of written notice to its affected customers.

Move that we approve the bulk water pass through increases contingent upon the utility providing copies to the Commission of the notices sent to affected customers.
